HUBERTUS STUB'N BISTRO & BAR

Good Taste always finds a beautiful place. Our region is a gourmet region. For one thing, many farmers around here produce their own, delicious products. In addition to this, there is a good awareness of sustainability and healthy eating. This is reflected in the high quality of the restaurants, mountain inns and lodges. The cooking in Brixental is tasty and varied, and our breakfast buffet on the garden terrace is the best start to the day...

Familie Strobl

SO YOU LOVE THESE 4 THINGS?

Let's be quite clear. Our guests appreciate four special things: Our tasteful hotel with its gorgeous apartment house, our location, our exclusive size and the kind of personal service that exemplifies the best our region has to offer. In short: This is just perfect! A holiday just like the one we ourselves would wish to enjoy with the emphasis on the authentic, on regional quality with depth, and on hosts who know how to make a holiday truly special. Perhaps you, too, will belong to this special kind of guest.

We bid you a cordial welcome... Your family Strobl
