Alpin Suite F37

holiday apartment in Westendorf

"Kitzbühel meets Milano" - that was our motto when we completely redesigned the Alpin Suite F37. The interior design is modern and straightforward, at the same time warm and cozy. Boxspring beds, alpine bath and local woods meet modern art, Netflix and Nespresso.

In the bedroom, the morning sun shines from the east and tickles in the nose when waking up. Enjoy your breakfast on the south terrace or in the studio with wonderful panoramic views while you make plans for the day with your loved one(s). Mountain hikes, biking or swimming lake in summer, in winter skiing, snow hiking or cross-country skiing. In 5 minutes you are at the lift or on the trail. More facts: 90m², bedroom and studio with box spring double beds, large sofa bed, alpine bath with 2 sinks, bathtub, rain shower, complete kitchen, WLAN.

Get your own impression and browse through the F37 picture gallery. We are happy if you like it and we hear from you.
