Chalet Kirchberg

Ferienhaus in Kirchberg in Tirol

In a great location in the centre of Kirchberg (near to the railway) you will find the Chalet Kirchberg. The wooden chalet was completely renovated in 2007, and fitted with all modern comforts. The chalet consists of three floors, has a total of 8 bedrooms, 3 bathrooms and is therefore ideal for several families. All the facilities are in walking distance, so that the guests can leave their car over the holiday. At the back of the house there is a large garden, where the children can play undisturbed. Here is also a large, wooden sun terrace to the south with garden furniture and sun loungers.
