## Ferienhaus in Westendorf

The house is situated in a cul-de-sac on the outskirts of Westendorf with magnificent views of the Brixental Valley and the Kaisergebirge mountain range. Because of the large living/kitchen area, the chalet is particularly suitable for groups and families. Accessible all-year-round by car.

In Winter the cross-country ski trail runs just 100 m below the house while Westendorf's ski area is easily reached on foot. In Summer there are numerous hiking and mountain-biking opportunities. At the end of the road, the idyllic "Well-Being Trail" (Wohlfühlweg) begins which is very enticing for a pleasant walk for both young and old.

Note: Letting only possible on a weekly basis

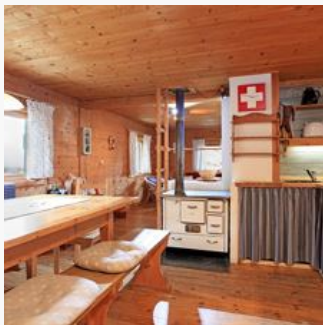

quiet location · outskirts of town · central location · right at the cross-country ski trail · right on the bike path · near the forest · on the hiking path · meadowlands
