Design Apartment Westendorf

holiday apartment in Westendorf

This traditionally, but also modernly furnished apartment offers plenty of space for up to 4 people. It is not directly in the center, but you can reach the gondola lifts of Westendorf and Brixen in only 5 minutes by car. The center of Westendorf is within walking distance. Supermarkets are in the immediate vicinity. The apartment has been renovated, very stylish and cozy. The private use of the garden in the summer months is worth highlighting.
