## holiday apartment in Westendorf

Westendorf is loved for its nature and quiet. Our small but very comfortable home has the charm of a small designer hotel from world. It is very conveniently located next to the slopes and very close to the golf course. Our guests get green fees 20% off.

The new lounge is there for you to relax in the evenings or also on a bad weather day. Enjoy a glass of wine or a beer playing cards or reading a book.

The studios are designed such that you can make your own breakfast, but you will receive fresh bread every morning and we also offer to shop for you, even before you arrive. Enjoy a delicious range of local products, like cheese, yoghurt and eggs.

Of course your studios will be serviced daily.

We would be delighted to look after you.

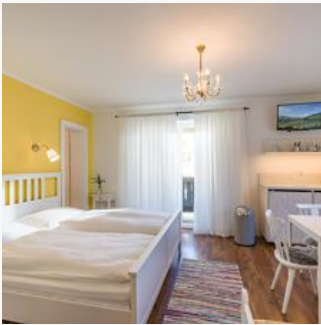

central location · near the forest · right on the slope · on the hiking path · right on the bike path · quiet location · right at the cross-country ski trail · right at the ski-bus/ hiking-bus/ bus stop
