# Gasthof Bergschenke

## mountain hotel/mountain inn in Kirchberg in Tirol

Our house is situated directly above Kirchberg in Tirol, in a sunny spot, with views of the surrounding mountains. Central point for starting out on mountain bike tours, hikes, day trips and in the winter the Kirchberg/Kitzbühel ski area is accessible on skis. All rooms have shower/WC and sat-TV and can be booked with breakfast from the buffet or half board (3 course menu, weekly grill evening). Thanks to the quiet setting, we are also a great place for families with children. The kids can run around safely, outside the house. There is also the chance to make a once weekly trip to our own mountain pastures, where we keep the livestock during the summer months. We also have farm products (often from our own stock) such as milk and cheese, to buy.

quiet location · private setting · mountain location
