# Gasthof Skirast

## inn in Kirchberg in Tirol

Situated at about 900 meters above sea level, the Gasthof Skirast is surrounded by the beautiful grassy mountains of the Kitzbühel Alps. The family-run Skirast renovated their rooms in 2012 and provides the perfect departure point for all excursions in Summer - hikers, cyclists and archers (we have the only private shooting range for hunting archers in the district) and in Winter for all sporting activities. Located beside the Pengelstein 1 gondola station. The bus stop is directly outside the Skirast making it very easy to access all the interesting places in the region. We like to spoil you in our Tyrolean-style restaurant in the cosy "Zirbenstube" with an open fireplace or on our sun terrace! You can choose from either half-board accommodation or Bed & Breakfast. The breakfast buffet includes a variety of international and traditional food. In the evening we are pleased to serve a 3-course meal including a salad buffet. NEW in WINTER 2016/17: renovated SPA AREA!
