Großmutter's Haus

farm, farmhouse in Westendorf

Grandmother's house is idyllically situated at the beginning of Windautals in a small hamlet with two farmhouses and a Zuhäusl. The 17th century farmhouse has been lovingly restored for rent in recent months and can accommodate a total of 12 people. It is an old house with a lot of charm from a bygone era, here you can perfectly recover from the stresses of everyday life. Anyone who dares can taste the old wood stove, especially the Kaiserschmarrn is particularly good in the old pans. If you like it more modern, next to the wood stove is a Siemens oven with an induction hob. On holiday you should not have to rinse, so the house is equipped with a dishwasher. Grandma's house is an old lady that radiates a lot of charm but can not be compared to a new house. In the old farmer's room there is a large flat screen next to the tiled stove, so that nothing stands in the way of a cuddly TV evening.

Monika Kroner

We are a family business with a lot of heart and try our guests to provide a warm home. In addition to the two houses Getznerhof and grandmother's house belong to the real estate agency Kroner Realitäten GmbH. The two houses Getznerhof and grandmother's house, with the associated agriculture, come from the family and have been passed on for generations. Monika grew up in the Getznerhof, Grandmother's house was actually the home of her great-grandparents. The decision to take over the family business, we have not made easy and now try to continue the family tradition. In addition to the love of nature, we are connected by an open, sociable nature and a passion for dancing.
