Unting

farm, farmhouse in Westendorf

Our house, in a quiet, idyllic location, is situated at 950 m of altitude surrounded by the Kitzbüheler Alpen. Westendorf's village centre is approx. 5 km away, while the Choralmbahn gondola station is just 1.5 km from our house. In Winter the Choralmbahn provides your direct access to the SkiWelt Wilder Kaiser - Brixental, with possible connection to the Kitzbühel/Kirchberg ski area. Enjoy the magnificent Windau's Winter paradise with a snow shoe hike or simply a Winter hike! Snow chains would be to your advantage! In Summer our house is the perfect departure point for hikes and mountain-bike tours! Organic products from our farm are available in our family-friendly accommodation!
