Your footsteps sound on the wooden planks, there is cobblestone pavement in your own front yard, your private entrance and also a storage room for your sports equipment of all kinds as well as for refuse separation. There is also room for 1-2 vehicles and an outdoor seating area where in the summer wine and kitchen herbs grow. The secluded unit lies on the ground floor of a house that was built close to the market centre in 1928. Renovated in 2022, the flat also offers direct view of the mountains and meadows.
