Energie-Ferienhaus Oktagon

Ferienhaus in Itter

The holiday home with view of the church and Itter Castle is situated in the Kitzbühel Alps - to be precise, it is located in the settlement Obere Nasensiedling 2a, right next to our carpentry (now and then there might be sawing noises) in Itter.

The house comprises three floors and has been comfortably furnished.

On the ground floor there is the hall, 4 bedrooms with flat TV, two bathrooms with walk-in shower, double washbasins, towel heating and hairdryer.

On the upper floor there is a fully equipped modern kitchen with a dishwasher, ceramic cooking top, oven, microwave, toaster, coffee machine, electric kettle and a fridge. The living area has been fitted with cosy sofas and a big flat TV. There are also two more bedrooms with bunk beds, flat TV and an additional bathroom.

In the basement there is a washer, dryer for ski boots and a rack for your ski wear.

A Finnish sauna and a relaxation room are the perfect place to rest after a long day out on the slopes.

(from May to November we charge you € 90 / stay in case you would like to use the sauna)

Furthermore, there is a large shower, a drinking fountain and a separate WC

In front of the house there is a parking lot for 4 cars and a large garden with a garden shed for cosy barbecues (Weber charcoal barbecue). There are also two more sets of seats as well as deckchairs, parasols, a large trampoline, a football goal and a table tennis table.

The ski area SkiWelt Wilder Kaiser – Brixental can be reached in two minutes...

right on the bike path · on the hiking path · near the forest · right at the ski-bus/ hiking-bus/ bus stop · sauna · relaxation room
