Kathrin Zelger

As the host of the vacation apartment Markt1659, Kathrin places great importance on a special atmosphere. The house that houses the apartment has been lovingly renovated during a comprehensive core restoration. It was her great concern to preserve the original character of her parents' house while simultaneously creating a modern, comfortable retreat for guests.

Kathrin especially appreciates the central location in the historic town center of Hopfgarten. Restaurants, grocery stores, bakeries, and a pharmacy are easily reachable on foot – ideal for a relaxed vacation without long distances.

A special highlight is the immediate proximity to the ski lift, which leads directly to the Hohe Salve both in winter and summer. Kathrin grew up in Hopfgarten and knows the region very well: from the lifts to the most beautiful hiking and biking trails. She is happy to share her personal tips, secret spots, and favorite routes around Hopfgarten and the surrounding area.

Look forward to an unforgettable stay with warm hospitality and genuine insider recommendations.
