## holiday apartment in St. Ulrich am Pillersee

This is your vacation: hikings in a beautiful nature on traditional huts with a typical snack - after the return you relax on the balcony with wonderful look at the Pillersee - the children play in the garden. The day ends cosily with a relaxation bath, so that you are fit for the next day - perhaps for a mountain bike trip. In winter you walk on romantic winter footpaths directly from the house about meadows and in forests. After a sporting ski day you are glad about the tiled stove which is already warm naturally, in your holidays house. Non-smokers only!

central location · quiet location · lake · distance (m): 200 · meadowlands · private setting
