Stoaberg Lodge

Ferienhaus in St. Ulrich am Pillersee

STOABERG LODGE - Design meets alpine flair Look forward to a time-out in the middle of nature. With great attention to detail, we have paid special attention to the use of high-quality natural materials in the furnishing of our two lodges AUSZEIT & FREIRAUM in order to create a special feel-good climate and sense of well-being. You can expect natural luxury with fine wood, warming textiles, glass and lots of light, air and nature. Experience exclusive views from the panoramic glass fronts and enjoy the quiet location and the open view of nature. In our garden you will find a small, cosy sauna house for shared use. A few minutes' walk away you will reach the village centre with its food market and restaurants. Hiking for all senses is possible at the nearby Pillersee. In the surrounding area you will find numerous leisure activities and mountain railways in summer and winter.
