holiday apartment in St. Ulrich am Pillersee

Over the past decade, my husband and I have succeeded in making our dream home reality, and have concluded the building of our own "Block-House" with an inviting holiday let, in the magical area of the Pillersee Valley.

The apartment is positioned on the first floor with separate entrance. The outdoor stairs opens onto a 20 square meter terrace, (in summer complete with two sun beds, sun umbrella and table & chairs) which leads to the entrance.

Situated in a peaceful area, a short walk from the small village of St Ulrich-am-Pillersee. This boasts a variety of outdoors activities suitable for all seasons and all interests. There is a large network of biking possibilities, hiking, plus a near-by lake for swimming in summer.

Winter offers a variety of downhill skiing areas for all levels, plus the opportunity to use the local free ski bus, to the various resorts. The cross- country skiing offers both classic or freestyle tracks, with kilometers of scenic routes.

As we approached retirement age - it became our goal to build our own wooden house & move to the peace & quiet of the country-side. Having achieved our goal - we still feel privileged to be able to live in such a magical area of Tirol, with so much outdoor activities on hand plus a balance of Culture as the heart desires.

We would like to welcome you to our home - so you too - can enjoy the joys & benefits of nature.
