The surrounding mountains, lakes, and forests have a magical allure for my family and me. Day by day, we find ourselves enchanted by the breathtaking landscape that unfolds before us. Each season brings its own charm: in winter, we glide down sparkling slopes and explore snow-covered forests, while summer invites us to enjoy extensive hikes and bike rides through unspoiled nature.

My husband brings his Mexican roots and our family name to Austria, delighting us with delicious dishes that evoke memories of far-off lands. Our passion for travel and discovering new cultures inspires us to engage in meaningful conversations with our guests.

We wholeheartedly look forward to welcoming you to our little paradise and sharing the beauty of this region with you. Feel free to become part of our dream world!
