Appartement Daxauer

holiday apartment in St. Johann in Tirol

Whether in summer or winter, with us you are always welcome to relax. Our house is built in typical Tyrolean style. It is equipped with 5 comfortable and cosy apartments. From the balcony you have a great panoramic view of the "Kitzbüheler Horn" and "Wilden Kaiser". In winter we are located directly at the ski resort and the ski school, and in 15 minutes you can reach the center on the trail along the river. A cross-country trail entrance is located directly next to our house. On wish you can have fresh bread from the baker every morning!

right on the slope · right at the cross-country ski trail
