Kröll

Hello dear greetings from the Lampererhof. We are a working farm, which means we live and work here. We offer rooms including breakfast, alongside our daily life on the farm. I, Jasmin Kröll, manage the room rentals and am always striving to ensure you have a great time here.

Please understand that there are people living and working in the house, so it is not visually designed entirely for guests. We apologize in advance for the free noises and smells, as we keep cattle.

If you want to vacation on a real farm, I hope to welcome you soon. Best regards, Jasmin Kröll
