Simon Meade

Welcome, my name is Simon and I was born and raised in North Wales in the UK.

In the 1980's I set off traveling around the world and spent many a winter in St. Johann. In the 90's I started to stay here for longer periods before settling permanently.

My favourite mode of transport is my motorbike and I enjoys cross country and downhill skiing, walks, cycling, books, music, and films.

The last of which led me to form the "English Language Film society" (ELFs) who show films in their original version with subtitles once a month in the local cinema. ELFs also organise the "Sound & Vision" music film festival every October.

I will gladly give you tips about the local area, restaurants and of course motorcycle tours (including GPX files)
