Chalets, families & luxury apartments on the farm

In the heart of the Kitzbüheler Alps, in a quiet location just outside St. Johann in Tirol, you will find the 400-year-old Narzenhof. This true jewel has been lovingly renovated recently, whereby the guest area was newly built with a 900 m² landscape nature biotope, children's playground, sauna, 4 traditional-modern luxury holiday apartments and 2 wellness chalets.

A farm holiday with animals and a playground makes children's hearts beat faster. Our ponies, mini pigs, mini sheep, mountain sheep, rabbits, chickens, dog and cat are with us on the farm all year round and look forward to welcoming you!

You are also spoiled for choice for an active holiday in the mountains. Mountain or e-biking, hiking, golfing, skiing or cross-country skiing, there is plenty to do in our region. A yoga lesson at the Narzenhof or access to the fitness studio is included with us!

All four-legged family members are very welcome.

Froidl

It is a pleasure to welcome you to our home! My name is Sjanet Froidl-Kooistra and together with my husband Wolfgang I run the Narzenhof - a family farm that has been in our possession for generations. Our two sons Chris and Konstantin are also actively involved in the farm life. Our family is known for its openness, humour and enthusiasm for the Narzenhof - our biggest passion.

The Narzenhof is located in an incomparably picturesque setting and reveals itself as a true insider tip for all those who feel connected to nature. Here you can rely on the perfect starting point for extended hikes, cycling tours, games on the golf course or family outings, while at the same time relaxing by the idyllic natural biotope.

We warmly welcome guests from all over the world and look forward to welcoming you soon at the Narzenhof. With us, you can expect a unique experience that you will not soon forget.

Your family Froidl.
