

# ON TOUR IN THE RAIN

\* Rainy hikes are possible with appropriate rainwear!

## FIEBERBRUNN

### RAIN HIKE: MITTERMOOS ROUND

**MEDIUM**

From the village centre of Fieberbrunn, take a leisurely stroll along the Achenpromenade (gravel path) to Rosenegg (behind the SPAR Markt car park). At the fork in the road, turn left towards Lehen. From here, take the tarmac road uphill for the first time. At the Hotel Chalets Grosslehen you can watch the fluffy cows; pass them and continue to the next junction. The 'uphill passage' is over and the route continues towards the hamlet of Mittermoos and along the tarmac road into the Gebraweg. Follow this out of the valley, cross the main road at Gasthof Auwirt and return to the village centre via the Achenpromenade.

Total path length: 4,8 km

Total walking time: 1:50 h

**Suitable in the rain with appropriate clothing |  Suitable for pushchairs (asphalt, fine gravel) |  Dogs allowed on a lead**

### RAIN HIKE: ACHENPROMENADE

**EASY**

You start at the valley station of the mountain railway. Follow the path towards the Hotel TUI Blue Fieberbrunn, walk along a gravel path past the campsite and turn left at a farm onto the tarmac road. Follow this road to the junction at the access road to the mountain railway. You return to the starting point via the car park. A detour to the Bodenhof farm with its cows, llamas and goats is definitely worthwhile.

Altitude metres: 36 m

Total path length: 6,0 km

Total walking time: 2:00 h

**Suitable in the rain with appropriate clothing |  Suitable for pushchairs (asphalt, fine gravel) |  Dogs allowed on a lead**

### RAIN HIKE: MOUNTAIN RAILWAY - CAMPSITE CIRCUIT

**EASY**

Start at the valley station of the mountain railway. Follow the path in the direction of TUI Blue Fieberbrunn, past the campsite along a gravel path - turn left at the farm. Along the asphalt road you come to the fork in the road for the cable car. Turn left here again and you will return to the starting point at the Bergbahnen Fieberbrunn car park. Tip: At the Tirol Camp there is a public trampoline facility that can be used for a small fee.

Altitude metres: 36 m
