# Stoaberg Lodge

## Vakantie accommodatie in St. Ulrich am Pillersee

STOABERG LODGE - Design meets alpine flair Look forward to a time-out in the middle of outside. With loving attention to detail, we have laid particular care in the equipment of our two loges called AUSZEIT & FREIRAUM. The use of high-quality natural materials for a healthy and special comfortable climate was very important for us. You can expect many elements of noble wood, such as old wood paneling and oak floors, combined with warming textiles and heavy curtains, glass and lots of light. The STOABERG LODGE is located in a quiet area with a free view from the large panorama glass fronts in St. Ulrich am Pillersee. The town centre with food market and restaurants is just a few minutes' walk away. In the nearby surroundings you will find numerous leisure activities and mountain railways in summer and winter. Enjoy free admission to the Alpensportbad St. Ulrich am Pillersee incl. sauna (during opening hours).
